I am so sorry not to have answered your very pretty p.p.c before but really I have been so busy our school examsare on, but it shan't happen again. I have put away some uprights specially for you. I hope you will like this one, I liked yours so much. I like any sort of coloured country (or castle) view, upright or not, but I don't like "town" views. No we live at the seaside but it is country all round. I can send you some Wallasey views but there are no uprights! I can get you some nice uprights of Chester if you like. Please forgive me being so long. I am really very very sorry. With love from Yours lovingly Annie Fullerton.
